Waterproof HDMI Feed-Thru Coupler, Case Side

HD-WTP-FF-CS

- Female HDMI panel mount (bulk-head) connector passes through to female HDMI connector for use with a standard HDMI cable.
- Circular threaded coupling mounts case side to connect with cable side connector.
- O-rings provide IP67-rated water and dust protection.
- To achieve waterproof/IP67 protection, the outside HDMI connection must be sealed with either a CAP-WTP-HD-CST cap or a connected cable with waterproof cable gland.
 - Requires HD-WTP-WMRM-xM or HD-WTP-WMWM-xM waterproof HDMI cable for complete connection.
- Supports HDTV resolutions to 1080p.
- Supports high-definition video, multi-channel digital audio, HDMI Ethernet Channel, Audio Return Channel, and Additional Color Spaces.
- For harsh industrial environments, such as factory automation, or outdoor installations where HDMI cable needs to be run from a dry location to a wet one.
 - Ideal for outdoor use in entertainment, broadcasting, AV billboards, boats and more.

HDMI Case Side Waterproof Cap with Tether

CAP-WTP-HD-CST

- Case side cap protects bulkhead panel mount HDMI connector when not in use.
- Includes a rubber lead with tether to prevent the cap from getting lost while uncovered.
- Incorporate a sealed connection directly into equipment.
- Provides IP67 rated water and dust protection.
- Circular threaded connection twists into place.
- Intended for use with HD-WTP-FF-CS only.

Waterproof HDMI Cables – Waterproof HDMI Male to HDMI Male Connector

HD-WTP-WMRM-xM

- Waterproof male HDMI Type A with cable gland to standard male HDMI Type A connectors with cable glands.
- Threaded couplings and O-ring seals provide IP67-rated water and dust protection.
- For harsh industrial environments, such as factory automation, or outdoor installations where HDMI cable needs to be run from a dry location to a wet one.
 - Ideal for outdoor use in entertainment, broadcasting, AV billboards, boats and more.
- Supports HDTV resolutions to 1080p.
- Supports high-definition video, multi-channel digital audio, HDMI Ethernet Channel, Audio Return Channel, and Additional Color Spaces.
- Available lengths: 2/5 meter.
- Requires HD-WTP-FF-CS case side connector for complete connection.

Waterproof HDMI Cables – Waterproof HDMI Male Connectors

HD-WTP-WMWM-xM

- Waterproof male HDMI Type A connector with cable gland on both ends.
- Threaded couplings and O-ring seals provide IP67-rated water and dust protection.
- For harsh industrial environments, such as factory automation, or outdoor installations where HDMI cable needs to be run from a dry location to a wet one.
 - Ideal for outdoor use in entertainment, broadcasting, AV billboards, boats and more.
- Supports HDTV resolutions to 1080p.
- Supports high-definition video, multi-channel digital audio, HDMI Ethernet Channel, Audio Return Channel, and Additional Color Spaces.
- Available lengths: 2/5 meter.
- Requires HD-WTP-FF-CS case side connector for complete connection.
