Waterproof BNC Bulkhead Connector, Case Side

BNC-WTP-FS-CS

- Female BNC panel mount (bulk-head) connector passes through to solder cup terminal for attachment to 18-22 AWG wire.
- Circular threaded coupling mounts case side to connect with cable side connector.
- O-rings provide IP67-rated water and dust protection.
- To achieve waterproof/IP67 protection, the outside BNC connection must be sealed with either a cap or a connected cable with waterproof cable gland.
 - Requires BNC-RG59-CRP-WTP waterproof BNC RG59 cable connector for complete connection.
- Rear bulkhead panel mount design.
- Mounting hardware included – hex nut, lockwasher and grounding tab.
- For harsh industrial environments, such as factory automation, or outdoor installations where BNC coaxial cable needs to be run from a dry location to a wet one.
 - Ideal for outdoor use with CCTV video surveillance cameras/ systems.

BNC Case Side Waterproof Cap with Tether

CAP-WTP-BNC-CST

- Case side cap protects bulkhead panel mount BNC connector when not in use.
- Includes a rubber lead with tether to prevent the cap from getting lost while uncovered.
- Incorporate a sealed connection directly into equipment.
- Provides IP67 rated water and dust protection.
- Circular threaded connection twists into place.
- Intended for use with BNC-WTP-FS-CS only.

Waterproof BNC RG59 Male Crimp Connector

BNC-RG59-CRP-WTP

- Male BNC RF connector crimps to RG59 coaxial cable.
- Threaded couplings and O-ring seals provide IP67-rated water and dust protection.
- For harsh industrial environments, such as factory automation, or outdoor installations where BNC coaxial cable needs to be run from a dry location to a wet one.
 - Ideal for outdoor use in CCTV video surveillance cameras/systems and other video applications.
- Requires BNC-WTP-FS-CS case side connector for complete connection.

Waterproof BNC Composite Video Balun Extender via Single Twisted Pair CAT5 to 1312 ft

BALUN-STBNC-WTP-400M

- Passively transmits real-time video over a single unshielded twisted pair (UTP) of CAT5/5e/6 cable up to 1312ft away.
- Supports CCTV security cameras and DVRs.
 - Compatible with PAL, NTSC, and SECAM.
- Transmission signal: 1Vp-p composite video.
- Connectors:
 - 75 ohm male BNC video connector with 26AWG 2-wire lead.
- Built-in PCB with interference rejection.
- Waterproof IP68 rating.
- Package includes: two Balun/Extenders.
