Waterproof Fiber Optic Cable Gland for Simplex SC Connector

FIBER-S-SC-WTP-CB

- Waterproof for harsh industrial or outdoor environments.
- Simply slide on the waterproof cable gland to a cable for each end that needs waterproof protection.
 - Compatible with pre-terminated simplex singlemode or multimode fiber optic cable with SC connectors.
- Quick-release quarter-turn bayonet locking to panel mount connector.
- Cable side shroud protects cables from water and dust.
- Gasket seals provide IP67 rated water tight and dust free protection.
- Requires FIBER-S-SC-WTP-CS case side panel mount connector for complete connection.

Waterproof Fiber Optic Cable Gland for Duplex LC Connector

FIBER-D-LC-WTP-CB

- Waterproof for harsh industrial or outdoor environments.
- Simply slide on the waterproof cable gland to a cable for each end that needs waterproof protection.
 - Compatible with pre-terminated duplex singlemode or multimode fiber optic cable with LC connectors.
- Quick-release quarter-turn bayonet locking to panel mount connector.
- Cable side shroud protects cables from water and dust.
- Gasket seals provide IP67 rated water tight and dust free protection.
- Requires FIBER-D-LC-WTP-CS case side panel mount connector for complete connection.

Waterproof Case Side Fiber Optic Cap

CAP-WTP-FIBER-CS

- Waterproof for harsh industrial or outdoor environments.
- Case side cap protects jack when not in use.
- Quick release bayonet style connection twists and locks into place.
- Gasket seals provide IP67 rated water tight and dust free protection.
- Intended for use with FIBER-D-LC-WTP-CS only.

Waterproof Fiber Optic Panel Mount Simplex SC Connector

FIBER-S-SC-WTP-CS

- Waterproof for harsh industrial or outdoor environments.
- Mounts case side to panel or enclosure.
- Female simplex singlemode/multimode SC pass-thru receptacle to female simplex SC connectors.
 - Supports SC/APC and SC/UPC.
- Quick-release quarter-turn bayonet locking to cable shield.
- Gasket seals provide IP67 rated water tight and dust free protection.
- 1"- 20 UNEF (Unified Extra Fine Thread) outer threading
- Compatible with APC and UPC connectors
- **Requires FIBER-S-SC-WTP-CB** cable gland for complete connection.
- Use CAP-WTP-FIBER-CS case side cap to protect the jack when not in use.

Waterproof Fiber Optic Panel Mount Duplex LC Connector

FIBER-D-LC-WTP-CS

- Waterproof for harsh industrial or outdoor environments.
- Mounts case side to panel or enclosure.
- Female duplex singlemode/multimode LC pass-thru receptacle to female duplex LC connectors.
- Quick-release quarter-turn bayonet locking to cable shield.
- Gasket seals provide IP67 rated water tight and dust free protection.
- Requires FIBER-D-LC-WTP-CB cable shield for complete connection.
