Waterproof Fiber Optic Cable Gland for Duplex LC Connector

FIBER-D-LC-WTP-CB

- Waterproof for harsh industrial or outdoor environments.
- Simply slide on the waterproof cable gland to a cable for each end that needs waterproof protection, and terminate the cable using a duplex LC connector.
- Quick-release quarter-turn bayonet locking to panel mount connector.
- Cable side shroud protects cables from water and dust.
- Gasket seals provide IP67 rated water tight and dust free protection.
- Requires FIBER-D-LC-WTP-CS case side panel mount connector for complete connection.

Waterproof Fiber Optic Panel Mount Duplex Singlemode LC Connector

FIBER-D-LC-WTP-CS

- Waterproof for harsh industrial or outdoor environments.
- Mounts case side to panel or enclosure.
- Female duplex singlemode LC pass-thru receptacle to female duplex LC connectors.
- Quick-release quarter-turn bayonet locking to cable shield.
- Gasket seals provide IP67 rated water tight and dust free protection.
- Requires FIBER-D-LC-WTP-CB cable shield for complete connection.

Waterproof Fiber Optic Cable Gland for Simplex SC Connector

FIBER-S-SC-WTP-CB

- Waterproof for harsh industrial or outdoor environments.
- Simply slide on the waterproof cable gland to a cable for each end that needs waterproof protection, and terminate the cable using a simplex SC connector.
- Quick-release quarter-turn bayonet locking to panel mount connector.
- Cable side shroud protects cables from water and dust.
- Gasket seals provide IP67 rated water tight and dust free protection.
- Requires FIBER-S-SC-WTP-CS case side panel mount connector for complete connection.

Waterproof Fiber Optic Panel Mount Simplex Singlemode SC Connector

FIBER-S-SC-WTP-CS

- Waterproof for harsh industrial or outdoor environments.
- Mounts case side to panel or enclosure.
- Female simplex singlemode SC pass-thru receptacle to female simplex SC connectors.
- Quick-release quarter-turn bayonet locking to cable shield.
- Gasket seals provide IP67 rated water tight and dust free protection.
- Requires FIBER-S-SC-WTP-CB cable gland for complete connection.
- Use CAP-WTP-FIBER-CS case side cap to protect the jack when not in use.

Waterproof Case Side Fiber Optic Cap

CAP-WTP-FIBER-CS

- Waterproof for harsh industrial or outdoor environments.
- Case side cap protects jack when not in use.
- Quick release bayonet style connection twists and locks into place.
- Gasket seals provide IP67 rated water tight and dust free protection.
- Intended for use with FIBER-D-LC-WTP-CS only.
