

CAT5e Keystone Jack Coupler

RJ45-FF-SNP-BLACK

- Straight type coupler for connecting two CAT5e cables together.
- Female-to female CAT5e RJ45 connectors.
- Keystone plug-in
- Compatible with modular patch panels.
- Available colors: black, white
- Dimensions WxDxH (in): 1.0x1.3x0.8
- RoHS Compliant

CAT5e Keystone Shielded Jack Coupler

RJ45-FF-SNP-SHLD

- Straight type coupler for connecting two CAT5e cables together.
- Female-to female CAT5e RJ45 connectors.
- Keystone plug-in
- Fully shielded
- Compatible with modular patch panels.
- Dimensions WxDxH (in): 1.0x1.3x0.8

CAT5e RJ45 Inline Coupler

RJ45-FF

- Straight type coupler for connecting two CAT5e cables together.
- Female-to female CAT5e RJ45 connectors.
- Industrial temperature range for harsh environments.
- Straight wired
- Operating temperature: -40 to 185°F (-40 to 85° C)
- Dimensions WxDxH (in): 0.7x1.5x0.9 (18x38x23 mm)
- Case material: ABS rated UL 94-V0
- RoHS compliant.

CAT5e Junction Box

CAT5E-JBPD

- Connecting block for splicing two CAT5e cables together.
- Solid conductor
- 24 thru 26 AWG
- Type 110 connector punch down.
- Dimensions WxDxH (in): 1.0x1.9x1.0

CAT5e Shielded Junction Box

CAT5E-JBPD-SHLD

- Connecting block for splicing two CAT5e cables together.
- Fully shielded
- Solid conductor
- 24 thru 26 AWG
- Type 110 connector punch down.
- Dimensions WxDxH (in): 1.0x1.9x1.0
