90 Degree Left Angled to Straight Connector VGA Cables, Male-to-Male

VEXT-90DL-xx-MM

- No ghosting and no degradation - guaranteed.
- Angled 90-degree left exit connector enables easy installation in tight spots.
- Supports 1920x1200 (WUXGA) video resolution up to 25 feet.
- Three 75 ohm micro coaxial cables.
- Male 15HD to male 90-degree angled 15HD left exit extension.
- Available lengths: 15/25 feet.
 - VEXT-90DL-15/25-MM: two molded-in ferrite cores.

90 Degree Right Angled to Straight Connector VGA Cables, Male-to-Male

VEXT-90DR-xx-MM

- No ghosting and no degradation - guaranteed.
- Angled 90-degree right exit connector enables easy installation in tight spots.
- Supports 1920x1200 (WUXGA) video resolution up to 25 feet.
- Three 75 ohm micro coaxial cables.
- Male 15HD to male 90-degree angled 15HD right exit extension.
- Available lengths: 6/10/15/25 feet.

Down Angled to Straight Connector VGA Cables, Male-to-Male

VEXT-DAS-xx-MM

- No ghosting and no degradation - guaranteed.
- Angled Down connector enables easy installation in tight spots.
- Supports 1920x1200 (WUXGA) video resolution up to 50 feet.
- Three 75 ohm micro coaxial cables.
- Male 15HD to male angled 15HD extension.
- Available lengths: 6/10/15/25/50 feet.

Up Angled to Straight Connector VGA Cables, Male-to-Male

VEXT-UAS-xx-MM

- No ghosting and no degradation - guaranteed.
- Angled Up connector enables easy installation in tight spots.
- Supports 1920x1200 (WUXGA) video resolution up to 50 feet.
- Three 75 ohm micro coaxial cables.
- Male 15HD to male angled 15HD extension (down or up exit).
- Available lengths: 10/15/25/50 feet.

45 Degree Angled Connector VGA Monitor Cables

VEXT-45D-xx

- No ghosting and no degradation - guaranteed.
- Angled 45 degree connector enables easy installation in tight spots.
- Diameter: 0.22".
- Supports 1920x1200 (WUXGA) video resolution up to 25 feet.
- Three 75 ohm micro coaxial cables.
- The shield consists of mylar foil, braided shield and drain wire.
 - Drain wire and braid connected to connector shell.
- Male 15HD to female 45 degree angled 15HD extension VEXT-45D-xx.
- Available lengths: 3/6/10 feet.

90-Degree Left-Angled to Straight Connector Ultra-Thin VGA Monitor Cable, Male-to-Male, 1 ft

VEXT-90DL-UTHN-1-MM

- Straight male 15HD to 90-degree left angled male 15HD interface.
- No ghosting and no degradation – guaranteed.
- Diameter: 0.200".
- Ideal for applications where space is tight.
- Gold plated contacts.
- Three 75 ohm micro coaxial cables.
- The shield consists of mylar foil, braided shield and drain wire.
- Shallow backshell.
- Supports 1920x1200 (WUXGA) video resolution.
- Same video transmission quality as traditional thicker monitor cable.
- The conductors for the three color lines are 30AWG coaxial, while the remaining conductors are 32AWG stranded wire.
- Available length: 1 foot
 - Contact a VPI product consultant for custom lengths.
