CAT6 Tooless RJ45 Plug for 24-26 AWG Solid/Stranded Cable

6-PLG-TOOLESS

- Easy to wire RJ45 plug for CAT6 round cable
- For Solid or Stranded Conductor
- 24 thru 26 AWG
- 50 micro inches of gold plating on contacts
- Presorted wire loading bar, slide the wires in to the color-coded spaces
- IDC termination clamps firmly grasp stranded or solid conductors for a reliable connection

RJ45 Plug for 28AWG Flat Stranded Shielded CAT6 Cable

RJ45-PLG2-FLT-SHLD

- RJ45 male connector for bulk CAT6 Flat Shielded cable (CAT6-FLT-BULK-BLACK-SHLD2).
 - Compatible with flat cable that is 2.4*7.4 +/-0.2mm (.09 *.29 +/- 0.8 Inches).

CAT6 Solid RJ45 Plug for 24-26 AWG Cable

6-PLG-SOLID

- RJ45 plug for CAT6 round cable
- For Solid conductor
- 24 thru 26 AWG
- 50 micro inches of gold plating on contacts
- Plastic insert with stepped entry for individual wires
- RoHS compliant

CAT6 Stranded RJ45 Plug for 24-26 AWG Cable

6-PLG-STRANDED

- RJ45 plug for CAT6 round cable
- For Stranded Conductor
- 24 thru 26 AWG
- 50 micro inches of gold plating on contacts
- Plastic insert with stepped entry for individual wires
- UL rated UL94V-0
- RoHS compliant

CAT6 Shielded Stranded RJ45 Plug for 24-26 AWG Cable

6-PLG-STRANDED-SH

- RJ45 plug for CAT6 round cable
- Fully shielded
- For Stranded Conductor
- 24 thru 26 AWG
- 50 micro inches of gold plating on contacts
- Plastic insert with stepped entry for individual wires

CAT6 Shielded Solid RJ45 Plug for 24-26 AWG Cable

6-PLG-SOLID-SH

- RJ45 plug for CAT6 round cable
- Fully shielded
- For Solid Conductor
- 24 thru 26 AWG
- 50 micro inches of gold plating on contacts
- Plastic insert with stepped entry for individual wires

CAT6 RJ45 Plugs

www.vpi.us/c/cat6-plugs-233

CAT6 Shielded Stranded RJ45 Plug with Cable Clip for 24-26 AWG Cable

6-PLG-STRAINED-SH-CLP

- Hirose Type RJ45 plug for CAT6 round cable, with Cable Clip
- Fully shielded
- Cable Clip provides strain relief, and ground bonding
- For Stranded Conductor
- 24 thru 26 AWG
- 50 micro inches of gold plating on contacts
- Two plastic inserts allow for stepped entry of individual wires
- Use with the CRIMP-RJ45-SH-H Crimping Tool

RJ45 Plug for 32AWG Ultra Super Flat Stranded Unshielded CAT5e/6 Cable

RJ45-PLG-USF

- RJ45 male connector for bulk CAT5e/6 Ultra Super Flat cable (CAT5E-USF-BULK-BLACK and CAT6-USF-BULK-BLACK).
- Requires the CAT5e/6 Super Flat Modular Crimp Tool (CRIMP-RJ45-SF).

CAT5e/6 Super Flat Stranded Unshielded RJ45 Plug for 28-32 AWG Cable

RJ45-PLG-SF

- RJ45 male connector for bulk CAT5e/6 Super Flat cable (previously sold as CAT5E-SF-RJ45).
- Compatible with CAT5E-SF-BULK-BLACK06, CAT5E-SF-BULK-WHITE, and CAT6-SF-BULK-BLACK.
- Accepts 28 to 32 AWG wires.
- Insulation thickness: 0.5mm ~ 0.6mm

CAT6 Shielded Solid RJ45 Plug with Cable Clip for 24-26 AWG Cable

6-PLG-SOLID-SH-CLP

- Hirose Type RJ45 plug for CAT6 round cable, with Cable Clip
- Fully shielded
- Cable Clip provides strain relief, and ground bonding
- For Solid Conductor
- 24 thru 26 AWG
- 50 micro inches of gold plating on contacts
- Two plastic inserts allow for stepped entry of individual wires
- Use with the CRIMP-RJ45-SH-H Crimping Tool

CAT6 Shielded Field Assembly RJ45 Connector for 24-26 AWG Solid/Stranded Cable

6-PLG-SH-FA

- RJ45 plug for larger diameter CAT6 round cable.
- Supports Gigabit Ethernet (1000Base-T) transfer rates.
- Accepts large cable diameters of 0.217"-0.334".
- For Stranded or Solid Conductors.
- 22 thru 26 AWG.
- TIA/EIA 568A/568B Termination
- 360 degrees of zinc die-cast metal shielding protects signals from external noise.
- How to: assembly is quick and easy, simply press together with your fingers or with the Parallel Crimp Tool.
- Supports Power over Ethernet+.
- Presorted wire loading bar allows easy handling, just slide in the wires to the color-coded spaces.
- Perfect for use with CAT6-BULK-STP-color-NPC and CAT6-BULK-STP-PLNM-GRAY-NPC to create patch cords.
- Regulatory approvals: RoHS.
